

All of the packages, courses, programs, and project kits purchased from AztecDesignStudio.com are for internal use within your own business.

One important rule to follow, is that you may NOT sell or give away any of the packages or programs in its original state as you have purchased it from us.

You have permission to use this package to help you work on a project in your own business. In fact, your team will be impressed that you have all these amazing tools on hand to assist them when working with you on your business projects.

Using this material will make your job so much easier when you don't have to create everything from scratch.

Plus, this material has the added benefit of teaching YOU how to do something.

Your License to Our Packages/Programs Allows You to:

- You can use this program with personal use rights only.
- You can edit the documents in this package to include your personal/business name and business information and instructions for your team to use within your own company.
- You can use this content yourself within your own company to work on your business projects.
- You can give these documents to your virtual assistant and any other team members you may have to work on your business projects for you.

Your License to Our Package/Program Does NOT Allow You to:

- You may not sell or give away the package or program in any way as you have purchased it from us.
- You may not load the content up on Kindle as a book (*that's against Amazon's terms of service and can get your account banned*).
- You may not sell the content through auction sites, dime sales/firesales.
- You may not give away or sell your license to this content.
- You may not give away or sell private rights, resell rights or master resell rights.
- You may not transfer the rights you have to your customer.

*** These terms are subject to change. It is your responsibility to check the current terms before you use this product/program/content in any way.**
